You Can Do It! **Student Awards**

We like to recognise, acknowledge and celebrate the achievements of our students on a weekly basis through the You Can Do It! Program, identified through the 5 keys of Persistence, Getting Along, Confidence, Organization and Resilience.

Many congratulations to the following students this week:

Ami from Area B

Well done to Ami for displaying great persistence in your return to school this week. Her drive to learn and be surrounded by her peers is to be commended. Well done!

Kasey from Area D

Kasey has demonstrated the two YCDI keys of Resilience and Getting Along this week. Kasey was able to adapt to a different teacher when Miss Norman was working in the office. He self-managed his own behaviour in class, used his manners and showed courtesy and respect to others. Well done Kasey.

Caitlin from Area H

Congratulations to Caitlin for having great persistence in using her PODD book to talk to staff and developing her confidence in using her key word signs to communicate with staff independently. Keep up the great work Caitlin!

Aidan from Area I

Well done to Aidan for worked hard this week in trying to regulate his emotions independently, particularly after he comes back on Fridays from the previous day's work placement. We are proud of you Aidan. Well done!

Jade from Area J

Jade has persisted through her work this week even when she has not always found it easy. With encouragement Jade has picked herself up and completed the work to earn her reward time. Keep persisting Jade and showing us your You Can Do It attitude! Well done.

You Can Do It! Student Awards

Ayden from Area K

Ayden is to be congratulated and praised for the kindness he has shown towards one of the older staff members at Paraquod during his work placement. He not only was respectful of the colleague but also assisted him discreetly during lunch time without seeking for any kind of credit. Ayden, in his subtle way, helped the colleague to enjoy his lunch. We are so proud of his compassionate heart! Keep it up!
