

DON'T FORGET - SWIMMING STARTS MONDAY!

Swimming commences Monday 11th November through to Friday 22nd November 2019.

YEAR 7 AND 8 IMMUNISATIONS - TUESDAY 12th NOVEMBER 2019

Please be reminded that Year 7 and 8 selected students have their next immunisations taking place on Tuesday 12th November, between 12.30pm and 1.30pm in the conference room. If you have any questions regarding the vaccinations or would like to accompany your child to their immunization please contact your child's classroom teacher.

WHOLE CENTRE END OF YEAR & LEAVERS ASSEMBLY – WEDNESDAY 4TH DECEMBER 2019

Parent letters have been sent home regarding the forthcoming Whole Centre End of Year and Leavers Assembly on Wednesday 4th December 2019 at 6.00pm – 8.00pm followed by refreshments. A letter containing special information for leavers will be sent home shortly via your child's diary.

The assembly is a wonderful opportunity for all parents and guardians to celebrate the achievements of West Coast SESC students in 2019 by viewing a variety of student performances and displays of programs and work that the students have been involved in during the year.

Student merit certificates and a number of special awards will be presented on the night. Our Leavers will also be presented with their portfolios and will be farewelled at this event. It is a thoroughly enjoyable evening and we look forward to sharing this special night with all parents, carers and their families.

For planning and catering purposes, please RSVP using the form provided by no later than Wednesday 27th November.

SUMMER ALL-ABILITIES FUTSAL

All-Abilities Futsal is on again this year for children aged 7 through to adults. All Abilities Futsal unites players in an inclusive format with thrills, goals and friendship. You Can Do It! **Student Awards**

We like to recognise, acknowledge and celebrate the achievements of our students on a weekly basis through the You Can Do It! Program, identified through the 5 keys of Persistence, Getting Along, Confidence, Organization and Resilience.

Many congratulations to the following students this week:

Holly from Area B

Holly deserves the YCDI award this week due to her constant diligence and persistence with regard to all her school work. Holly's confidence has blossomed during Term 4 and as a result, Holly's communication skills and work ethic has developed significantly. Very impressive effort Holly! Well done!

Bam from Area C

Bam wins the award in Area C for demonstrating her organisation skills during a particularly busy time at school. Bam has managed to keep up with her photography, prepare her vision board for leavers, work consistently at Activ and maintain a positive and enthusiastic attitude towards her usual classes at school.

Jade from Area D

Congratulations Jade for demonstrating the keys of resilience, getting along and organisation. Jade has settled in to her new school and is getting along with her peers. She always brings her diary in every day too. Well done Jade.

Elijah and Jasmine from Area G

Elijah is becoming more organised when getting ready for Community Access and is needing fewer reminders to tag on and off the bus. Elijah demonstrates confidence in the community as he navigates his way around the shops to purchase goods from a shopping list. He always arrives at school with his wallet, SmartRider card and recyclable bag. Fantastic Elijah!

Jasmine is also becoming more organised when getting ready for Community Access and is needing fewer reminders to tag on and off the bus. She demonstrates confidence in the community as she navigates her way round the shops to locate items for a set task and also when ordering the purchasing her own lunch. Well done Jasmine.

You Can Do It! **Student Awards**

Many congratulations to the following students this week:

Sophie from Area H

Well done to Sophie for displaying amazing resilience when moving around the school in her wheelchair and having great confidence to tell staff when she needs help moving around. Keep up the amazing work Sophie!

Noah from Area I

Congratulations to Noah. Every morning he arrives in class and gets organised straight away without assistance. His bag, diary and drink bottle are put away and he looks at the calendar for the day's activities then gets his morning work out and organised without being told. He is becoming one very independent young man with a very wicked sense of humour! We are super proud of his 'You Can Do It' attitude in Area I.

Ella from Area J

Ella has been displaying her persistence skills working through her literacy and numeracy files each day. She has found some activities difficult but with support, is persisting to complete her work and earn reward time. Keep it up Ella! Well done!

Claire from Area K

Claire has worked brilliantly well at Woolworths, Warwick during her work placement. She has approached her work with enthusiasm and confidence, helped customers and independently returned products to their correct positions. Claire has also followed workplace rules and dressed in the correct PPE. Well done, Claire. Keep it up!
